WOULD YOU LIKE TO LEARN AMAZING THINGS AND MEET SOME NEW FRIENDS?

All our classes are beginner friendly, and are set up so you can go at your own pace – no need to worry about getting left behind. And if you're tech talented, you can move ahead as fast as you like.

Designed specifically for high school girls*, we'll hang out, meet new mates, and learn a new tech skill every Monday afternoon from 5:00-6:30pm (AEDT), totally FREE. We'd love you to join us!

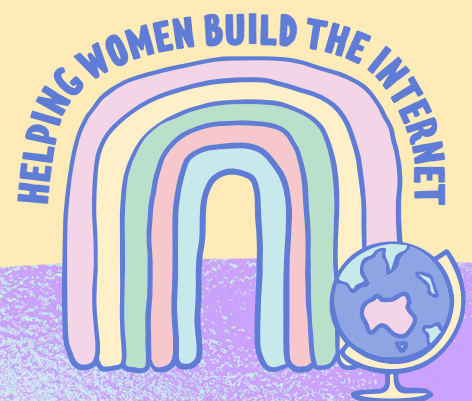

GET YOURSELF A GIRL GANG!

During the workshop sessions, you'll be able to chat with many other girls* participating from all over Australia. Keen on making your own video game? Let's do it! Got code questions? We've got you covered. Curious about Artificial Intelligence? So are we.
