

# GIRL GEEK ACADEMY

## #SheHacksSwift

A one-week work experience program: design and develop for Apple devices and make new friends!

## Would you like to learn amazing things and meet some new friends?

This one week work experience program is a beginner friendly program so you can go at your own pace - no need to worry about getting left behind. And if you're tech talented, you can move ahead as fast as you like.

During the program you will learn to build an app using the Swift, the platform used for iPhone, iPad, Apple Vision Pro and many more devices

**FREE**

## GET YOURSELF A GIRL GANG!

Designed specifically for high school girls\*, you'll hang out, meet new mates, and learn new tech skills.

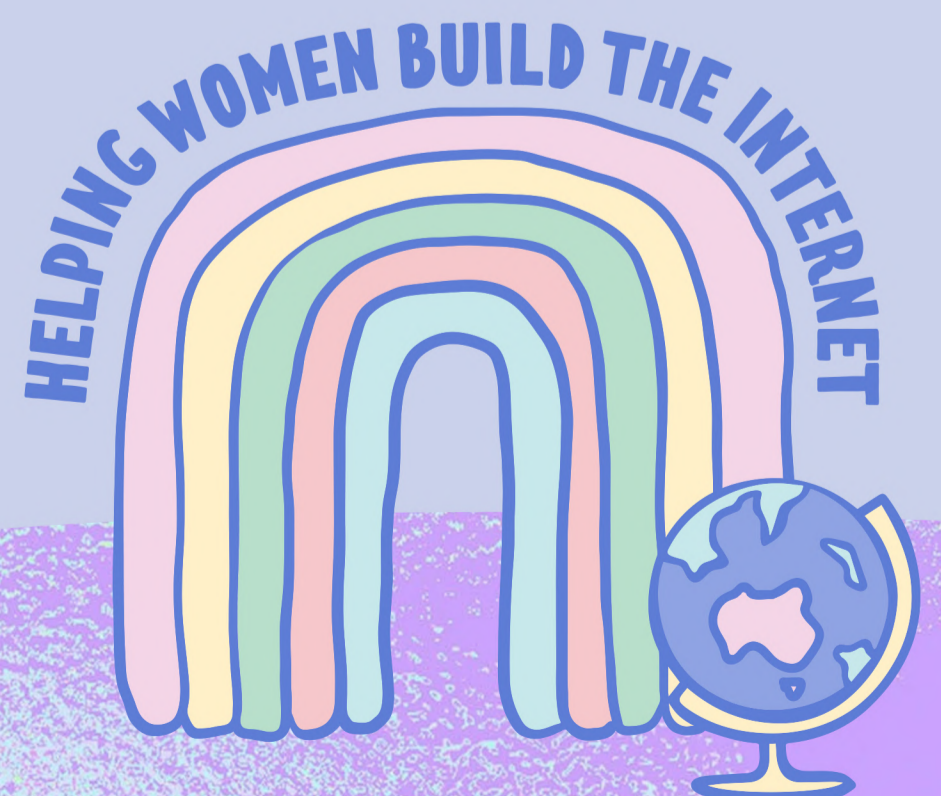

During the program you'll chat with many other girls\* participating and work on solving those tough problems together. We'd love you to join us!
