GIRLGEEKACADEMY

#SheHacksSwift

A three day work experience program: design and develop for Apple devices and make new friends!

Would you like to learn amazing things and meet some new friends?

This three day work experience program is a beginner friendly program so you can go at your own pace - no need to worry about getting left behind. And if you're tech talented, you can move ahead as fast as you like.

During the program you will learn to build an app using the Swift, the platform used for iPhone, iPad, Apple Vision Pro and many more devices

FREE

GET YOURSELF A GIRL GANG!
